VERIFIED FULL VIN \_\_\_\_\_

OK	Problems Found	Items Inspected and Features Checked	Comments
<b>Road Test</b>		<i>Road Test Distance:</i> _____ miles	
		Engine Start / Crank / Idle	Hesitation, Misses, Idle Speed, Starter Drag
		Engine Operation	Accel/Decel, Taps, Smokes, Knocks
		Transmission	Shifting, Noise
		Suspension / Ride	Vibration, Pull, Abnormal Noises
		Brakes	Pulls, Pedal Low, Spongy, ABS Operation
<b>Internal/External Inspection</b>			
		Wipers / Washers	Working
		Clock / Radio / Horn / Cruise Control	Working
		Power Antenna / Digital Dash	Working
		Switches (Windows, Locks, Seats)	Working
		A/C / Heater / Defroster / Rear Defrost.	Operation, Noise
		Lights (Interior, Exterior)	Working
		Parking Brake	Working
		Interior / Seats / Carpet / Dash	Rips, Tears, Holes, Worn Spots
		Body Inspection	Collision or Rust Damage
<b>Engine Compartment</b>			
		Emission System	Undamaged, EGR Valve, Air Pump
		Valve Covers / Seals / Gaskets	Leaks
		Belts / Hoses / Clamps / Vacuum Lines	Condition
		Air Filter	Condition
		Radiator / Cap	Corrosion, Rust, Impact
		Electric Fan / Clutch Fan	Operation, Resistance, Bearing Looseness
		A/C Compressor / A/C Clutch	Noise, Leaks
		Evap / Condens / Dryer / A/C Hoses	Leaks
		P/S Pump / P/S Gear / P/S Hoses	Leaks, Binding, Noise
		Battery / Alternator	Charging, Corrosion, Clean Terminals, Noise
		Engine Oil	Level, Condition
		Engine Coolant	Level, Condition
		Transmission Fluid	Level, Condition, Color
		Brake Fluid / Power Steering Fluid	Level, Condition
<b>Under The Vehicle</b>			
		Engine / Transmission / Differential	Leaks
		Muffler / Tail Pipe	Rust, Damage, Condition
		Catalytic Converter	Present
		Ball Joints / Tie Rods / Shocks / Bushings	Condition
		Frame / Undercarriage	Damage, Rust, Impact
		Wheel Bearings / Axle Seals, CV Boots	Condition, Leaks, Noise
		Tires / Wheels	Wear, Alignment, Pressure, Size
		Brakes: Calipers / Cylinders / Lines	Leaks, Condition

*Disclaimer:* This report summarizes the condition of the vehicle as observed by the inspector at the time of inspection. Midwest Vehicle Inspections Inc. (MVI) makes no representation about the condition of the vehicle at any other time. MVI relies on the registration documents found with the vehicle to identify the registered owner, but does not verify the registration, check for liens against the vehicle, or make any representation or warranty about the title of the vehicle. MVI will not conduct a road test unless the registered owner grants permission and can document that the vehicle is properly registered and insured. The MVI Vehicle Inspection Report is not a substitute for any safety or emissions inspection required by law. MVI cannot accept liability for mechanical failures which may occur after the inspection is completed.
